For Sale : **€ 19,000**

Description
An agricultural field for sale in Fikardou, set within a forest area in the Nicosia district. The land covers 12,041 m² of sloping, irregularly shaped ground. It is zoned for agricultural use and suited to planting, farming or simply holding a piece of the Cypriot countryside.

The village centre is a short drive away, as are the neighbouring villages of Lazanias and Gourri. A petrol station and main roads are a drive away, with the Nicosia - Limassol motorway in the wider region. The surroundings of Fikardou offer a landscape-led setting away from dense urban development. This is a generous area of farmland on a hillside amid forest.
