For Sale : **€ 55,000**

Description
In a quiet corner of the Nicosia countryside, this field for sale in Analiontas offers a generous stretch of residential land with a relaxed rural setting all around it. The village centre, schools, restaurants and cafés are a short drive away, as are the neighbouring villages of Kataliontas and Kampia, so authentic village life is never far from the doorstep.

The land has a sloping, irregular shape that follows the natural lie of the landscape, and its residential zoning points towards a home surrounded by open countryside. Supermarkets, shops and everyday services are within a drive, and the Nicosia–Limassol motorway is within reach, linking a slower pace of life with the capital and the coast.

Tamasos Lake lies a short drive away, adding a natural landmark to the picture of daily life in Analiontas. It is a place where quieter surroundings and a close-knit community set the rhythm of the day.

This sale is for a three-eighths share of the field.

Spacious residential land in a quiet village setting, with the lake and village life close at hand.
