For Sale : **€ 45,000**

Description
Set in open countryside within Tseri, this agricultural field covers 19,315 m² of even ground. Its outline is irregular, but the level surface lends itself to planting or farming under its agricultural zoning. Lakatameia, Margi and the Lefkosia South Orbital Motorway are a short drive away, as are petrol stations and main roads, while the Nicosia–Limassol motorway is within a longer drive. The field has no direct road access. This sale is for a two-fifths share of the land. It is a sizeable, level stretch of farmland in a rural setting.
