For Sale : **€ 15,000**

Description
Kyperounta, a village community in the Limassol district, sets the scene for this residential field. Troodos National Forest Park is a short drive away for days spent out in nature, and medical centres and pharmacies are within walking distance for everyday peace of mind.

The land covers 1,004 m², with an irregular outline and a sloping surface. Its residential zoning gives room for a home, a place to settle into the slower rhythm of village life. The land has no direct road access.

The sale is for a 2/3 share of the field. Village life in Kyperounta, with the forest park close at hand, is at the heart of its appeal.
