For Sale : **€ 14,000**

Description
Open countryside surrounds this sloping field in Kakopetria, set away from dense urban development. The land covers 9700 m², with an irregular outline and ground that rises across the plot. A road runs through the field, giving it direct road access. The village centre and petrol stations are a short drive away, as are the neighbouring villages of Galata and Sinaoros. Main roads are close by, and the motorway is within a drive. This sale is for a one-third share of the field. It is a generous piece of rising Cypriot countryside with its own road access.
