Description
Within the community of Fikardou in Nicosia District, this agricultural field covers 5,714 m² of irregular, uneven ground. It has direct road access along one side. The villages of Klirou and Kalo Chorio Oreinis are a short drive away, and main roads are within a drive.

About half of the land lies in an agricultural zone, which suits farming or planting. The other half falls within a protection zone. This is a sizeable field with a road along its edge and an agricultural half open to cultivation.
