For Sale : **€ 30,000**

Description
Village life with the capital within easy reach: this generous field in Alampra, Cyprus, sits close to the heart of the community, in a setting with a strong local identity. Most of the land lies within a residential zone, where a home is the natural use.

The ground has an irregular shape and an uneven surface, giving it a natural, landscape-led character rather than a flat, uniform feel. Around it, everyday needs are well covered, with schools, supermarkets and shops, restaurants and cafés, parks and public service offices all a short drive away. The neighbouring villages of Pera Chorio and Agia Varvara are close by too.

Getting around is uncomplicated. The Nicosia–Limassol motorway and its junctions are a short drive from the village, so the city and the coast stay within comfortable reach while daily life keeps a slower pace and a close-knit feel.

This sale is for a half share of the field.

Authentic Cypriot village life, everyday convenience and fast motorway links: Alampra brings all three together.
