Description
In the community of Pedoulas, this field of 1,668 m² lies a short drive from the village centre. The neighbouring villages of Prodromos and Lemithou are also a short drive away. Most of the land is in an agricultural zone, suited to farming or planting, while part of it falls within a residential zone. The ground is sloping and the plot has an irregular shape. The land has no direct road access. It is a sloping parcel of mainly agricultural land within the Pedoulas community.
