Description
An agricultural field in Kato Moni, Cyprus, set in open countryside in the Nicosia district. The land covers 8362 m², with an irregular shape and a sloping surface. As agricultural land, it can be used for farming or planting. The field has no direct road access.

The village centre is a short drive away, as are the neighbouring villages of Orounta and Agioi Iliofotoi. Main roads, petrol stations and motorway junctions are within a drive. This sale is for a half share of the field. It is a versatile piece of farmland in a rural setting away from dense urban development.
