**Description**
Open countryside a short drive from the village centre is the setting for this field on the market in Nikitari, Cyprus. Pano and Kato Koutrafas are also close by. The land covers 6689 m² of agricultural ground, with an irregular shape and a sloping surface. It suits farming or planting. Main roads and petrol stations are a short drive away, and the Astromeritis–Evrychou Motorway links the area with the wider Nicosia district. The field itself has no direct road access. It is a generous piece of agricultural land in the Nikitari countryside.
