For Sale : **€ 22,000**

Description
On the outskirts of Analiontas in the Nicosia District lies a field of 23,746 m². Its ground slopes slightly. A stream runs along part of its boundary, and government land borders it elsewhere. Most of the field is agricultural land suited to farming or planting, while a small part falls within a protection zone. The land has no direct road access. The village centre is a short drive away, as are the neighbouring villages of Kampia and Kataliontas.

The sale is for a 4/9 share of the field. It is a sizeable, slightly sloping stretch of farmland beside a stream in Analiontas.
