Description
A sloping field on rising ground in Klirou, offering 6689 m² of agricultural land in an open countryside setting. The plot has an irregular shape and an inclined surface, and it is accessible by road. Its agricultural zoning suits farming and planting. The village centre and petrol stations are a short drive away, as are the neighbouring villages of Politiko, Filani and Kalo Chorio Oreinis. The main roads are a drive away, and the motorway network lies further out in the wider region. A versatile piece of land in the Klirou countryside, with generous space to farm.
