Description
An agricultural field for sale in Pera, offering 10,034 m² of open countryside in the Nicosia district. The land has an irregular shape and a sloping surface, and its agricultural zoning suits farming or planting.

The field sits a short drive from the village centre and from the neighbouring villages of Kampia and Analiontas, with petrol stations close by. The Nicosia–Limassol motorway is within a drive. The field itself has no direct road access. It lies in a landscape-led setting away from dense urban development. This is a sizeable and versatile piece of Pera farmland.
