For Sale : **€ 22,000**

Description
A sloping agricultural field in Kapedes, set in open countryside in the Nicosia district. The land extends to 7358 m². It is irregular in shape and falls towards the south. Its agricultural zoning suits farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Kampia and Politiko. The Nicosia–Limassol and Larnaca–Nicosia motorways can be reached by car. This sale is for a two-thirds share of the field. It is a versatile piece of farmland in the Kapedes countryside.
