Description
This field in Klirou, in the Nicosia district countryside, offers 2007 m² of agricultural land. It has a regular, well-proportioned shape on sloping ground, and its agricultural zoning makes it suited to farming or planting. The field has no direct road access of its own.

The Klirou village centre is a short drive away, as are the neighbouring villages of Kalo Chorio Oreinis, Filani and Politiko. A petrol station is also close by, and the main roads are a drive away. This is a regular, uncomplicated piece of farmland in an open countryside setting.
