For Sale : **€ 10,000**

Description
A Cyprus field for sale in Palaiometocho, offering 6,650 m² of agricultural land in an open countryside setting within the village area. Its regular shape makes the ground easy to lay out and work, while the surface itself is uneven. The land sits in a zone for farming and animal breeding, so it can be used for cultivation or livestock.

The neighbouring villages of Agioi Trimithias and Meniko are a short drive away. Petrol stations and the Nicosia motorway network are within reach by car. The field could also be a practical addition to an existing agricultural holding. It is a versatile piece of farmland, with a generous area for planting or grazing.
