Description
For sale: a field in Peristerona, in the Nicosia district, covering 2342 m² of open countryside. The land is rectangular and flat, and the villages of Potami and Orounta are a short drive away, as are main roads and petrol stations.

The field lies in an area set aside for livestock farming, where facilities for rearing animals and poultry, other than pigs, are permitted. The field is landlocked and has no direct road access. It is a level, well-proportioned piece of land in a farming area.
