For Sale : **€ 19,000**

**Description**
An agricultural field of 6355 m² in Lympia, set in an open countryside setting within the Nicosia district. The ground is even, which makes it straightforward to work, and the land lies in an agricultural zone suited to farming or planting. Its shape is irregular, and it has no direct road access of its own.

The village centre is a short drive away, as are the neighbouring villages of Psevdas and Koshi and the Nicosia–Larnaca motorway, which links you across the district. This is a versatile piece of level farmland with generous space to cultivate.
