Description
This field in Lympia covers a generous 13,044 m² of open countryside in the Nicosia district. The land has an irregular shape and a sloping surface, set in a landscape away from dense urban development. Lympia village centre is a short drive away, as are the neighbouring communities of Agia Anna and Koshi. The Nicosia–Larnaca motorway is also within a short drive. The field has no direct road access of its own, although a road lies close by. Above all, this is a sizeable piece of the Cypriot countryside on the edge of a well-connected village.
