Description
For sale: a field in Mitsero, set in an open countryside setting in the Nicosia district. The land covers 2007 m² of agricultural ground with a regular shape and a sloping surface, and its general use is farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Agrokipia and Agioi Iliofotoi, with main roads and the motorway network a drive further. The field has no direct road access. It is a well-proportioned, regular plot of sloping farmland in the Mitsero countryside.
