Description
This agricultural field for sale in Ergates offers 5249 m² of open land in the Nicosia countryside. The ground is sloping and irregular in shape, set in a landscape away from dense urban development. Its agricultural zoning suits farming or planting. The Ergates village centre is a short drive away, as is neighbouring Episkopeio, with the Nicosia motorway network within reach. The field itself has no direct road access. It is a versatile piece of land with ample room for cultivation in a rural part of the district.
