An agricultural field for sale in Agios Georgios Kafkallou,...

For Sale : **€ 8,000**

Description
An agricultural field for sale in Agios Georgios Kafkallou, in the Nicosia countryside, with olive trees already growing on the land. It extends to 4683 m² of sloping, irregularly shaped ground, and the olives show that the soil is fertile and can be cultivated.

The field lies in an open countryside setting. The villages of Nikitari and Vyzakia, the village centre and the main roads are all a short drive away. The field is landlocked and has no road access of its own. This is a versatile piece of farmland for cultivation, with its olive trees already in place.
