For Sale : **€ 15,000**

Description
Lympia keeps the steady, unhurried rhythm of a Nicosia district village. Its centre, shops, cafés and schools sit a short drive away, and neighbouring Dali is close at hand for everything else daily life asks for.

Here lies a sizeable field of 5,352 m², with a gently sloping surface and an irregular shape. Most of the land is residential, with room for a home, and a small part is set aside for commercial use. That mix gives the land a plain, practical character rooted in village life.

The Nicosia–Larnaca motorway runs close by, keeping both cities within comfortable reach of the village. Parks, green spaces and the Chalkanoras Stadium are also a short drive away, adding to the everyday ease of the area.

The sale is a 1/12 share of the field. It offers a stake in residential land in an established village setting, between Nicosia and Larnaca.
