Description
A field in Temvria, set in open countryside a short drive from the village centre, with the neighbouring villages of Korakou and Kaliana also close by. The land covers 13713 m² of agricultural ground on a sloping, irregular plot. It is recorded as a livestock field and suits farming or grazing in keeping with its agricultural zoning.

It makes a practical addition to an agricultural or rural landholding in this part of Nicosia district. This sale is for a half share of the field. It is an uncomplicated piece of farmland, away from dense development.
