Description
A piece of the Cypriot countryside, this agricultural field in Fterikoudi, Nicosia district, covers 4906 m² of sloping, irregularly shaped ground. Its agricultural zoning suits farming and planting. The land has no direct road access.

The village centre is a short drive away, as are the neighbouring villages of Askas and Platanistasa. A petrol station is within reach, and main roads serve the wider region.

It is a generous parcel of agricultural land in an open countryside setting.
