For Sale : **€ 15,000**

Description
Set among the villages of the Nicosia countryside, this residential field in Margi offers a generous 7024 m² of level ground with direct road access. It is a landscape-led setting away from dense urban development, yet everyday life stays comfortably within reach.

The land has an even surface and an irregular shape, and its residential zoning points naturally towards a family home in authentic village surroundings. An old house stands on one part of the field and is in poor condition.

Schools, supermarkets and public service offices are a short drive away, as are the neighbouring villages of Kotsiatis and Analiontas. The Nicosia–Limassol motorway is close by too, linking you easily to both cities, while restaurants, cafés, sports venues and the open water of Tamasos Lake are a drive away for slower weekends.

This sale is for a one-eighth share of the land.

Traditional village charm, open countryside and the motorway close at hand: an appealing balance of setting, convenience and room to breathe.
