Description
For sale: a field in Platanistasa, a piece of the Cypriot countryside in the Nicosia district. The land covers 5677 m², with an irregular outline and a sloping surface that follows the lie of the landscape. The village centre is a short drive away, as are the neighbouring villages of Alithinou and Lagoudera. The field has no direct road access. It is a generous parcel of open land in a rural setting, well away from dense urban development.
