For Sale : **€ 8,000**

Description
Set among the farmland of Lympia, this agricultural field covers 11,037 m² of even ground with direct access from a public road. It has an irregular shape, and its level surface suits farming and planting. Most of the land lies in an agricultural zone. A small part falls within a protection zone.

The village centre is a short drive away, and the Larnaca–Nicosia Motorway is also within a short drive. The sale is for a 1/6 share of the field. This is a sizeable piece of level farmland with its own frontage onto a public road.
