For Sale : **€ 5,800**

Description
Level agricultural land in Akaki, in the Nicosia district, with direct road access. The field covers 3048 m². Its shape is irregular, but its even ground makes it a practical choice for planting or farming.

The village centre, petrol stations and main roads are a short drive away, as are the neighbouring villages of Meniko and Paliometocho. The motorway network is within reach for travel to and from Nicosia. This sale is for a half share of the field. It is a level, accessible piece of the Cypriot countryside on the farmland around Akaki.
