Description
In an open countryside setting near Agrokipia, this agricultural field covers 3011 m² of sloping, irregularly shaped ground. Its agricultural zoning makes it suited to farming or planting. The land has no direct road access of its own.

The village centre is a short drive away, as are the neighbouring villages of Agios Ioannis and Mitsero. Main roads and the Nicosia–Deneia motorway can be reached by car, keeping the wider Nicosia district within easy reach of Agrokipia. This is a sloping plot of Cypriot countryside, zoned for agricultural use.
