Description
This field in Klirou offers 3,345 m² of agricultural land in an open countryside setting, within the village area in the Nicosia district. The ground slopes and has an irregular shape, giving a versatile piece of land for planting or farming. It has no direct road access.

The Klirou village centre is a short drive away, as are the neighbouring villages of Malounta and Arediou, with petrol stations close by. The main roads and the Nicosia motorway network are a longer drive away. The land sits in a landscape-led setting away from dense urban development. It is an uncomplicated rural land purchase: sloping farmland in the Cypriot countryside.
