Description
Two adjoining fields in the Platanistasa countryside form a single piece of land of 3,271 m², set in an open rural landscape in Nicosia district. The land has an irregular shape and a sloping surface, and it has direct road access along one side. The neighbouring villages of Lagoudera and Alithinou are a short drive away, as is the village centre. A petrol station, the main roads and the Astromeritis–Evrychou motorway are all within a drive. This is a generous, uncomplicated parcel of rural land with its own road frontage.
