An agricultural field for sale in Platanistasa, in the Nicosia district, a short drive from the village centre. The land measures 2,778 m² and has a sloping surface and an irregular shape. It borders a pathway along one side.

The field is zoned for agricultural use and suits farming or planting. The neighbouring villages of Alithinou and Alona are a short drive away, as is a petrol station. The Astromeritis–Evrychou motorway serves the wider region. This is a versatile piece of farmland in an open countryside setting.
