For Sale : **€ 5,000**

Description
An agricultural field on sloping ground in Kapedes, set in open countryside a short drive from the village centre and the neighbouring villages of Filani and Politiko. The field covers 9365 m² in total. It has an irregular shape and an uneven, sloping surface, and its agricultural zoning allows farming or planting. It has no direct road access. The Nicosia–Limassol motorway is a drive away and links Kapedes with the rest of the Nicosia district. This sale is for a half share of the field. It is a sizeable piece of farmland in a rural setting, away from dense development.
