Description
For sale: a field in Kampia, a village in the Nicosia district set in open countryside a short way from the Tamassos Dam. This is agricultural land with a sloping surface and an irregular shape, lying close to the village centre. Politiko and Pera are a short drive away, as are petrol stations. The Nicosia–Limassol motorway and the Nicosia South Orbital Motorway can be reached by car. The field itself has no direct road access. This sale is for a one-quarter share of the field. It is agricultural land in a rural setting, away from dense urban development.
