**Description**
A field in Gourri, Nicosia, offering 6021 m² of agricultural land in an open countryside setting. The village centre is a short drive away, as are the neighbouring villages of Fikardou and Lazanias, with main roads in the wider region. The ground slopes and the field is irregular in shape. It has direct road access, so reaching it for planting and day-to-day work is straightforward. As agricultural land, it is suited to farming and cultivation. This sale is for a one-third share of the field. It is a versatile piece of sloping farmland with its own road access.
