Description
In the countryside around Platanistasa, this agricultural field of 1924 m² offers a modest piece of farmland in an open rural setting. The ground slopes and the plot has an irregular shape. It is landlocked, with no direct road access.

The land is zoned for agriculture and suits planting or farming. The village centre is a short drive away, as are the neighbouring villages of Fterikoudi and Alona, and a petrol station is also within a short drive.

This is a versatile, sloping parcel of farmland in open countryside.
