For Sale : **€ 3,000**

Description
Sloping, rising ground in an open countryside setting gives this agricultural field in Fikardou its character. The whole field measures 4,348 m², with an irregular shape and an inclined surface. Its agricultural zoning points to farming and planting use.

The field sits a short drive from the village centre, with the neighbouring villages of Lazanias and Gourri also close by. The motorways linking Nicosia, Limassol and Larnaca lie within reach in the wider region. The field has no direct road access of its own. This sale is for a half share of the land. It is a versatile piece of agricultural ground in the Fikardou countryside.
