Description
A field listed in Saranti, in the open countryside of the Nicosia district, offering 1338 m² of agricultural land. The ground is sloping and irregular in shape, and its agricultural zoning points to farming or planting. The field has no direct road access. The Saranti village centre is a short drive away, as are the neighbouring villages of Lagoudera and Livadia. A petrol station and the main road network are a drive away. It could make a practical addition to an existing agricultural holding. This is a versatile plot of farmland in a landscape-led setting away from dense development.
