Description
This is an agricultural field of 7,024 m² in Kampia, in an open countryside setting a short drive from the village centre and the neighbouring villages of Kapedes and Politiko. The motorway linking Nicosia with Limassol and Larnaca is a drive away. The ground slopes and the field has an irregular shape. Its agricultural zoning suits farming or planting. The field has no direct road access. This sale is for a one-eighth share of the field. It is a versatile piece of rural land in the Kampia countryside.
