For Sale : **€ 2,500**

Description
Village life in the Nicosia countryside sets the tone for this flat residential plot in Ergates, a community where schools, parks and green spaces lie within walking distance. It is a setting with a strong local identity, close enough to the capital for everyday convenience yet rooted in the slower rhythm of authentic Cypriot village life.

The land covers 316 m² of level ground on residential land, the kind of setting where a home sits naturally among its neighbours. Supermarkets, shops, restaurants and cafés are a short drive away, as are the neighbouring villages of Episkopeio and Psimolofou, while main roads are close by and motorway junctions are within easy reach for trips further afield.

For anyone drawn to this part of the Nicosia district, the appeal is simple: a measured, uncomplicated parcel in a welcoming community, with family essentials close at hand. This sale is for a one-sixth share of the plot.

An honest piece of Ergates, with schools and green spaces just a stroll away and village life all around.
