For Sale : **€ 4,000**

Description
An agricultural field of 5,017 m² in Klirou, set in open countryside. The surroundings are rural, well away from dense urban development. The ground is sloping and irregular in shape, and the field is reached by a pathway rather than directly from a road.

Klirou village centre and a petrol station are a short drive away, as are the neighbouring villages of Kalo Chorio Oreinis and Filani. Main roads are a drive away, and the Nicosia motorway network lies in the wider region. This sale is for a half share of the field. It is a versatile piece of agricultural land for farming or planting.
