For Sale : **€ 4,000**

**Description**
Set in the open countryside of Klirou, in the Nicosia district, this agricultural field for sale covers 2007 m² of sloping ground. Pine trees and wild vegetation grow across the land, giving it a natural, green character. Its agricultural zoning suits farming or planting.

The villages of Gourri, Fikardou and Kalo Chorio Oreinis are a short drive away, as is a petrol station, and the main roads are a little further. The field has no direct road access of its own. This is an uncomplicated rural plot of pine-covered land in the Klirou area.
