For Sale : **€ 2,500**

Description
Set in open countryside in Mathiatis, Nicosia, this agricultural field covers 11,037 m² of even ground. It is suited to livestock and farming use, giving a flexible base for grazing or cultivation. The village centre, petrol stations and the neighbouring villages of Kataliontas and Analiontas are a short drive away, and the motorways linking Nicosia, Limassol and Larnaca can be reached by car.

The field has no direct road access. This sale is for a one-eighth share of the land. Its level ground is suited to both livestock and agriculture.
