For Sale : **€ 4,000**

Description
An agricultural field for sale in Klirou, set in open countryside a short drive from the village centre. The land covers 4683 m² in total. Its ground is sloping and irregular in shape, in a natural landscape away from dense urban development. It lies in an area zoned for farming and animal breeding, which suits grazing, livestock or planting.

The neighbouring villages of Malounta and Kalo Chorio Oreinis are a short drive away, and the motorway network is further afield. This sale is for a two-fifths share of the field. It is a versatile piece of farmland in the Klirou countryside.
