For Sale : **€ 2,000**

Description
In a quiet, lightly built corner of Panagia Evangelistria, this residential field sits close to the everyday life of Dali. Schools are within walking distance, and the town centre, cafés and restaurants are only a short drive away.

The ground is smooth and flat, and the land fronts a public road, so it has direct road access. Its residential zoning gives room for a home, in an area where few buildings stand around it and the pace feels calm.

Getting about is straightforward from here. Neighbouring communities such as Potamia and the centre of Nicosia are easily reached, and the heritage site of Idalion is a short drive away, a reminder of the long story of this part of the island.

The sale is a 1/8 share of the field. It offers level land in a peaceful residential setting, with the rhythm of Dali close at hand.
