For Sale : **€ 2,000**

Description
Just a short walk from the heart of Lympia, this residential plot sits within the easy, everyday rhythm of a village in the Nicosia district. Shops and supermarkets are close enough to reach on foot, and neighbouring Dali is only a short drive away, so daily life stays simple and close to home.

The land measures 353 m², with an even surface and an irregular outline. It has direct road access, so arriving and coming and going is straightforward. Its residential setting gives room for a home among village streets, close to the life of the centre.

Picture morning errands done on foot and evenings spent in a settled residential neighbourhood, with the wider Nicosia area within reach. The sale is for a 1/14 share of the plot.

A piece of village life on the authentic side of Lympia, close to everything the centre offers.
