For Sale : **€ 4,200**

Description
This field for sale in Astromeritis offers 9365 m² of level, rectangular ground in an open countryside setting in the Nicosia District. Its even surface and regular shape make it straightforward to work, and the land is suited to farming and livestock use. The villages of Kato Koutrafas, Pano Koutrafas and Potami are a short drive away. Petrol stations are within reach, and the wider motorway network lies further out in the region. This sale is for a one-third share of the field. It is a versatile, level piece of farmland in the Astromeritis countryside.
