Description
A field of 1106 m² on agricultural land in Platanistasa, set in an open countryside setting a short drive from the village centre and the neighbouring villages of Fterikoudi and Alithinou. A petrol station is a drive away. The ground is sloping and irregular in shape, so it suits working the land as it lies. The field has no direct road access. This is a modest, uncomplicated piece of farmland, ready to be cultivated or added to a nearby rural holding.
