**Description**
A field of 2676 m² in Kynousa, offering a practical piece of agricultural land in the Paphos countryside. Its zoning is agricultural, which suits farming, planting or simply keeping land in a rural setting away from dense development. The neighbouring villages of Pelathousa and Makounta are a short drive away, and the main roads and petrol stations are within a drive. The size is workable and easy to manage, and the open countryside around Kynousa gives it a straightforward rural character. This is an uncomplicated field of agricultural land with room to cultivate.
